REMARKS/ARGUMENTS

Claims 1 – 19 are pending in the application.

Applicant respectfully submits this Supplemental Amendment to correct a typographical error in the amendment to the specification. In this Supplemental Amendment "of" was deleted and "or" was inserted in the second sentence of the specification paragraph to correspond to the correct wording of the specification. Underlining was removed from this version as the additional sentence was already submitted in the earlier Office Action Amendment.

Applicant has attempted to be fully responsive to the outstanding Office Action. However, should the Examiner have any further comments or suggestions, the undersigned respectfully requests a telephone interview in order to resolve any outstanding issues and to expedite placement of the application into condition for allowance.

Respectfully submitted,
